# SUMMER CAMP 2014 IN GERMANY IN COOPERATION WITH PARTNER ORGANISATIONS FROM BOSNIA AND HERZEGOVINA, CROATIA, MONTENEGRO, POLAND AND SERBIA.

## “Be the Change You Want to See - Young People Go for a Joint and Peaceful Europe”

### Aim

To spend three extraordinary weeks together and promote active citizenship, anti-discrimination, human rights, participation and Europe.

### When does the Summer Camp take place?

From 4 to 23 August 2014

### Who will participate?

15 to 17-year-old girls and boys from all regions of Bosnia and Herzegovina (BiH), Croatia, Germany, Poland, Montenegro, and Serbia. Altogether, 36 young people and 8 team counsellors will participate.

*"The participants will come from two European regions, both of which have gone through a time of conflict and war. In the case of the Central European countries, the memories are still present, but the relations between Germany and its Eastern and Western neighbours are now mostly trustful and positive, in particular among young people. In the case of the successor states of former Yugoslavia, the wounds are fresher and the strained relations, both within and between those countries, still need some ongoing effort to re-establish a supportive and cooperative neighbourhood."*

### Where does the Summer Camp take place?

At the Malteserhof in Königswinter near Bonn. The Malteserhof is a large, old, romantic, half-timbered farmhouse estate, located on the east bank of the Rhine River with direct access to a

quests (religious, allergy and vegetarian diets) will be met.

*"As in previous years, the young people from all those countries are given the chance to gain first-hand experience from their "camp mates", to question stereotypes and to discover that what they share may be more important than what divides them. If successful, the Summer Camp will begin with six national groups, but will end with just one large community."*

### What is "CAMPUS15 – Youth Goes for Peace"?

"CAMPUS15 – Youth Goes for Peace" is a registered non-profit organization that is politically and denominationally independent. Its members are all volunteers. CAMPUS15 enables young people who come from areas of (former) conflict to meet and spend time together in a supportive environment. Young people of different nationalities, ethnic backgrounds or creeds are given the opportunity to interact in a positive way, together with Germans and other young Central Europeans.

CAMPUS15 has been bringing young Europeans together since 1998. So far, we have organised ten Summer Camps in Germany and eight Reunion Camps in former Yugoslavia. Our activities are usually supported by YOUTH IN ACTION, a programme of the European Union, and the by the Youth Welfare Office of North Rhine-Westphalia.

**In 2009 CAMPUS15 has been awarded with the European Civic-Prize of the European Parliament.**

**The Summer Camp 2014  
is supported by the European  
"Youth in Action" Programme.**
